

British Standards Online-Quick Start Guide

British Standards Online (BSOL) is a database that provides access to all British Standards. Full text access is to two modules only: IT Software and Networking (GBM 24); IT -Hardware and Office Machines (GBM 25). The database is updated daily.

British Standards Online Homepage

The screenshot shows the British Standards Online homepage with several callouts:

- 1**: A callout pointing to the **Help** link in the top navigation bar, with the text: "Click here for help with using the database."
- 2**: A callout pointing to the search input field in the "Try the new BSOL single search box BETA" section, with the text: "Search all the Standards by Standard number or keywords. Please note that you will only be able to view the full text of standards within our subscription.(see 3)"
- 3**: A callout pointing to the "View Modules" link in the "MyBSOL" section, with the text: "We subscribe to 2 modules so you will only be able to view the full text of standards within those modules. Click on 'View Modules' to be taken to a page where you can search within our subscription."

The homepage layout includes a top navigation bar with links for Home, Browse, My BSOL, Help, and News. A search bar is located in the top right corner, labeled "New Search" with a dropdown menu set to "Number" and a "Go" button. Below the navigation bar is the "Search BSOL" section, which contains two search options: "BY STANDARD NUMBER" and "OR SEARCH BY KEYWORD(S)". The "BY STANDARD NUMBER" option has an input field with "eg. BS 1234" and a "Go" button. The "OR SEARCH BY KEYWORD(S)" option has an input field with "eg. Usability... steam valves" and a "Go" button. Below these options are links for "Click here for Advanced Search" and "Click here for Search Tips". To the right of the search options is a promotional box for the "new BSOL single search box BETA" with a "Go" button and links for "What is this? Tell me more!" and "How is it working for you? Give us some feedback!". At the bottom left is the "MyBSOL" section, which includes the heading "MY MODULES" and the text "Uni of London - S1 - 2 modules" with a "View Modules" link.

The Online Library

Viewing Modules within our subscription

When you click on 'View Modules' in the homepage you will then be taken to a page where you can select one of the subscribed modules. Click on the name of the module you wish to search within.

My modules

- GBM24 - Information Technology - Software & Networking
- GBM25 - Information Technology - Hardware & Office Machines

The Results Page

1. Display of the number of results in the chosen module.
2. Enter search terms in the box to narrow the results.
3. Click to view brief information about the Standard including an abstract.
4. Shows the status of the standard. (This includes current, new or withdrawn)
5. Click to open a PDF of the document, this allows you to save or print the document. Please check the number of pages before you print as the documents are usually long.
